Steve,

My schedule has opened up and I am free at 10 if you can move it up (David can join at this time) otherwise 10:30 works fine. Thanks

Mike,

How about today at 10:30-11:00. I am thinking 30 minutes should do it.

I do not see why moving the meeting to Sacramento would be a problem. I will check with the others.

Steve -

Sorry we have missed each others calls. I am free Thursday from 8-9, 10:30-11:30 and 12-3. Also, it may be more convenient for us to move the meeting on Monday to Sacramento. Can you let us know if that is possible for you all and the WB? Thanks

Mike

Mike and David,

I am trying to finish a final draft for review and comment of our UIC program plan including the plan for next steps in aquifer exemptions and the path on each of the 6 categories of wells we discussed at our last (large) face-to-face meeting. Also, I just wanted to compare notes – I have been pulled in other directions the past few weeks, including dealing with some lawsuits, and just want to get caught up.

Please let Heidi and me know what would be some good times for you and we will set something up.

Thanks.

Steve
